Dear Mr. Eastman:

**SUBJECT: Notice of Part 213 Administrative Penalty Accrual  
Beacon & Bridge Market #8, 110 East Broad Street, Linden, Genesee County  
Michigan; Facility ID No.: 0-0002778, Confirmed Release No.: C-0162-14**

In correspondence dated January 26, 2015, October 26, 2016, January 4, 2017, June 7, 2017, and October 30, 2017, the Department of Environmental Quality (DEQ), Remediation and Redevelopment Division (RRD), requested that Quick-Sav Food Stores Ltd (Quick-Sav) submit a complete Final Assessment Report (FAR), pursuant to Section 21311a of Part 213, Leaking Underground Storage Tanks, of the Natural Resources and Environmental Protection Act, 1994 PA 451, as amended. To date, the RRD has not received the required FAR.

As a result of the release of regulated substances from the subject site, the DEQ believes that a threat to human health and the environment exists because the required corrective actions to address the release have not been implemented.

In the Enforcement Notice dated June 7, 2017, the DEQ also advised Quick-Sav that Section 21313a of Part 213 provides for the imposition of administrative penalties against owner/operators who fail to comply with the Part 213 reporting requirements. The amount of the penalty that may be imposed is:

- Not more than \$100 per day for the first seven days the report is late.
- Not more than \$500 per day for days eight through fourteen that the report is late.
- Not more than \$1,000 per day for each day beyond day fourteen that the report is late.

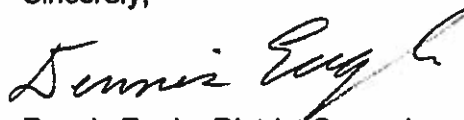

Please be advised that an administrative penalty for the late report(s) will begin to accrue on the date of Quick-Sav's receipt of this letter, and that the penalty will be imposed in 30 days should Quick-Sav fail to submit a complete FAR to the DEQ.

In addition to the imposition of administrative penalties pursuant to Section 21313a of Part 213, the DEQ may also pursue other escalated enforcement actions, including but not limited to: expending public funds for the performance of corrective actions, which are subject to cost recovery actions; issuance of an administrative order; and/or seeking injunctive relief and civil fines pursuant to Section 21323 of Part 213.

If you have any questions regarding this notice letter or the subject facility, please contact Mr. David LaBrecque, Assistant District Supervisor, Lansing District Office, at 517-284-5123, or labrecqued@michigan.gov; or you may contact me.

Thank you for your anticipated cooperation and prompt attention to this matter.

Sincerely,

Dennis Eagle, District Supervisor
