

Expected Project Construction Schedule

Project Start Date:

May 14th

<p>Stage 1</p> 	<p>Monday May 14, 2018 to Friday, June 22, 2018:</p> <p>Construction will begin from the South City Limits to Lindenwood. Traffic will be maintained in both directions, utilizing a single lane closure and flag control.</p> <p>Construction will include road rehabilitation, crushing, shaping, grading, drainage improvements, shoulder work, restoration, and pavement markings.</p>
<p>Stage 2</p> 	<p>Monday June 4, 2018 to Friday, June 22, 2018:</p> <p>Removal and replacement of storm sewer and water main from Hickory to the Bridge over the Shiawassee River. Road milling and resurfacing from Hickory to the Bridge. Two-way traffic will be maintained utilizing lane closures and flag control.</p>
<p>Stage 3</p> 	<p>Monday, June 25, 2018 to Friday, October 5, 2018:</p> <p>Removal and replacement of storm sewer and water main will occur from Lindenwood to Hickory. Road reconstruction will occur from Lindenwood to Hickory, including curb and gutter installation and sidewalk removal and replacement. Traffic will be maintained in one direction and detour routes will be posted and in effect through mid-August.</p> <p>Place the top course of pavement, pavement markings and other miscellaneous work from the southern City limits to the Bridge. Two-way traffic will be maintained utilizing lane closures.</p> <p>(No roadwork on Independence Day 7/4 or Labor Day 9/4)</p>

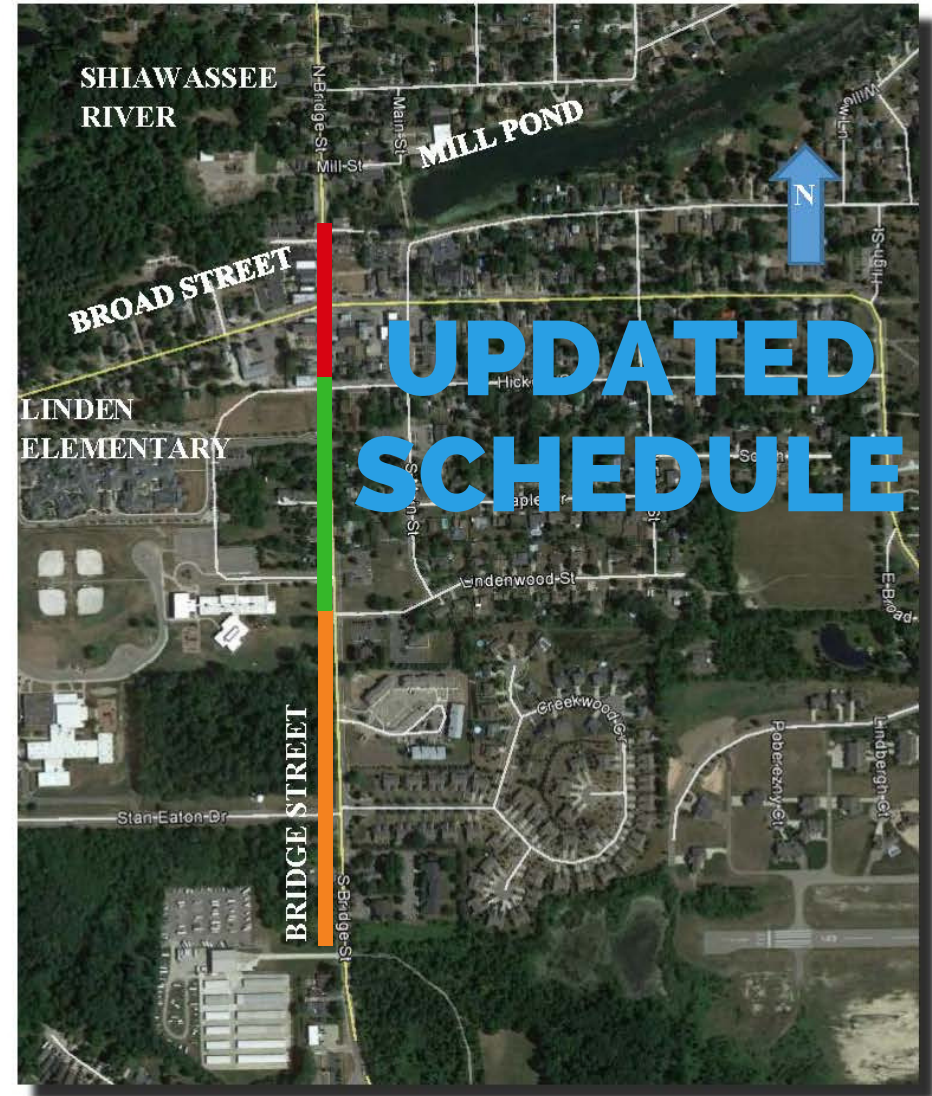

Expected Project Completion:

OCTOBER 5th

Dates are predicated upon weather and other conditions and may be subject to change. We will continue to update you with changes to the schedule throughout the summer.

Please be advised that temporary two-way closures may occur where safety concerns merit a closure or when necessary to conduct underground utility work. You can stay up to date regarding these closures on our website (lindenmi.us) or on our Facebook page (@Linden.Mi).

S Bridge Street Rehabilitation Project From the South City Limits to the Shiawassee River 2018

Utility relocations & tree removal will begin May 2018 and continue throughout the project. Watch for crews working along Bridge Street in the next four months.
