

Bid Opportunities

The City of Linden officially distributes bid documents at Michigan Inter-governmental Trade Network, www.bidnetdirect.com/mitn (MITN). Copies of bid documents obtained from any other source are not considered official copies. Only those vendors who obtain bid documents from either the City Clerk or the MITN System are guaranteed access to receive addendum information if such information is issued.

A list of bid opportunities is available on-line through MITN, www.bidnetdirect.com/cityoflinden. Documents that are still open require registration in order to gain access to more detailed information. Closed documents and award information are available to non-registered users. View the list of closed bids as well.
